INDEX TO VOLUME II FOR 1946

READERS in search of a particular subject will find it useful to bear in mind that the references are in several cases distributed under two or more separate headings—for example, Brain and Cerebral; Heart and Cardiac; Liver and Hepatic; Renal and Kidney; Cancer and Carcinoma; Child and Infant; Goitre and Thyroid. Subjects dealt with under various main headings in the JOURNAL have been set out in alphabetical order under their respective headings—for example, "Annotations," "Correspondence," "Leading Articles," "Obituary," "Reviews," etc. Original Articles are indicated by the letter (O).

A

Abdomen, acute: Silent perforation of gut wall (W. Houston), 160—Apparently acute abdomen in pulmonary tuberculosis, 403
ABRAHAM, J. Johnston: Recent advances in anaesthesia, 667
ABRAMSON, E. L.: Dietary survey of 500 Swedish families, 236
Abscess, breast, treated with penicillin (M. E. Florey and others), 845 (O); annotation, 865
—— extradural: Staphylococcal spinal osteomyelitis with acute extradural abscess (Guy Blackburn and R. P. Jepson), 297 (O)
Abstracting service. Dutch, in English (leading article), 334
Abstracts of World Medicine, 128
—— —— *Surgery, Obstetrics and Gynaecology*, 128
Académie de Chirurgie of Paris: Centenary celebrations, 660
Accidents, road, and alcohol, 776
Achondroplasia, 251
Achromotrichia in tropical malnutrition (William Hughes), 85 (O); correspondence, 277
Acid phosphatase, 435
Acidosis, review of book on, 818
Adam, Flying Officer William Caldow, death of, 315
ADAMS, A. Wilfrid: Two-grade medical service under the Act, 475
—— Dorothy Mann, obituary notice of, 105
ADCOCK, W. J.: Laboratory aid in general practice, 638
ADDERLEY, C. B.: Congenital malaria, 241
Addison's disease successfully treated by a graft (L. R. Broster and H. Gardiner-Hill), 570 (O)
Adenoma of islets of Langerhans (A. W. Dickie), 817
Adolescence: The unstable adolescent girl (report of Committee on Psychiatry and the Law), 909; leading article, 904
Adrenal tumour, hypertensive retinitis in (annotation), 952
Adrenaline: Intravenous, in asthma, 242—And asthma, 678
Afghanistan, inoculation experiments against typhus in (Zühdi Berke), 994 (O)
Age limit in advertisements, 1007
AGNEW, Leslie R. C.: "Cord round the neck," 668
Agranulocytic angina, primary (I. M. Librach and R. G. Cronin), 897 (O); annotation, 905
Agranulocytosis, thiouracil, penicillin in treatment of (A. J. Thomas), 899
Agriculture: *Reconstruction by Way of the Soil* (G. T. Wrench), 654
AHRENFELDT, R. H.: Legal and medical "insanity," 170
Aird, Capt. William Service, death of, 519
AITKEN, Robert: *The Problem of Lupus Vulgaris*, 331
ALBERT, Fritz: Belgian surgeons' acknowledgment, 98
Alcohol, road accidents and, 776
Aldred-Brown, George Ronald Pym, obituary notice of, 247
ALEXANDER, S. S.: Socialism and the pay-bed, 176
Allan, Flying Officer Charles King, killed in a flying accident, 879
ALLEN, Clifford: Protection against sexual offences, 136, 441

ALLERGY:
"Benadryl," 162; annotation on, 233
Cocaine, 1012
Desensitizing solutions, 352
Meaning of, 521
Ménière's disease and (annotation), 127
Penicillin: Allergic response to, 137—Allergic reactions to (A. I. Sucheckí), 938 (O)
Review of book on, 696
Tuberculous, and immunity, 318

ALLISON, R. D.: Case of clicking cars, 930
ALLWORTHY, S. W.: Itchy patient, 318
ALSTEAD, Stanley: Cough syrup, 965
ALSTON, J. M.: Control of air-borne infection, 832—Clinical pathological experience of penicillin, 959
Amenorrhoea. *See* Gynaecology
Amiable autocrat (book review), 860
AMMAL, E. K. Janaki (and C. D. DARLINGTON): *Chromosome Atlas of Cultivated Plants*, 374
Amoebiasis, 838, 1005—In Italy (Graham W. Hayward), 457 (O); correspondence, 794—Diagnosis of intestinal amoebiasis, 589, 708
Amphetamine for air travel, 720
Amputation prostheses (book review), 738

ANAEMIA:
Hypochromic, review of book on, 201
Leuco-erythroblastic, 679
Pernicious: Peripheral nerves in (annotation), 269—Sore tongue in, 406—Case of refractory (D. M. Zausmer), 774
Review of book on, 901
Sickle-cell, observations on, 435

ANAESTHESIA:
Action, theories of (J. H. Burn and H. G. Epstein), 533 (O)
Advances in (C. Langton Hewer), 531 (O); correspondence, 667, 753, 804
Anaesthesia, journal of the Association of Anaesthetists of Great Britain and Ireland, 685
Analgesic or anaesthetic? 711, 838, 1007
Apparatus: Improvised closed circuit (E. F. Gleadow), 90—Simple drip-feed type (Ralph Bibbings), 161—History and development of (A. Charles King), 536 (O); correspondence, 667
Basal, definition of, 802
Centenary celebrations: Reprint of leading article from *Provincial Medical and Surgical Journal* of March 10, 1847, 541—Exhibition at Wellcome Museum, 621—Celebration dinner, 704
Chloroform: Reprint of J. Y. Simpson's article, "Discovery of a new anæsthetic agent more efficient than sulphuric æther," 541; correspondence, 753, 1012
Curare: Technique for use of *d*-tubocurarine chloride with balanced anaesthesia (T. Cecil Gray and John Halton), 293 (O); correspondence, 625, 789
Dental, after coronary disease, 843, 921
History: Before and after Morton: historical survey of anaesthesia (E. Ashworth Underwood), 525 (O)—John Snow: anaesthetist and epidemiologist (1813-58), 535—Centenary celebrations, 621
Inhalation, first use of, in Britain, 621
Medicine's greatest gift (leading article), 546
Pentothal: Drug eruption due to sodium pentothal (G. A. Grant Peterkin), 52; correspondence, 138, 172, 209, 340
Perineal tear, local anaesthesia for, 479
Review of books on, 16, 53, 495, 545
Through the eyes of a poet, W. E. Henley (Gunilla Liddle), 539 (O)
Transfusion reaction inhibited, 964
Trichlorethylene, apparatus for, in midwifery, 722
Trilene: Short survey of, in general practice (A. Barratt and S. H. B. Platts), 10 (O), 340; correction, 76; correspondence, 172, 210, 406—In midwifery, 514
Vinesthene, for repair of hare-lip and cleft palate (Phyllis F. L. Daplyn), 117 (O)

Analgesia: Lingual-nerve block for calculi in Wharton's duct (J. Alan Carr), 228—Spinal analgesia in infant 11 days old (M. H. Armstrong-Davison), 264
Anatomy, review of books on, 160, 161, 373, 422, 494, 545, 616
ANDERSON, C. (and others): Royal College of Physicians of London, 476
—— H. G.: *Flying Visit*, 161—(And others): Recruits for medical missionary work, 669
—— John H.: Postgraduate education, 792
—— Robert: Discovery of chloroform as an anaesthetic, 1012
—— Lieut.-Col. William Maurice, obituary notice of, 143
ANDREEN, Dr.: Refugees in Sweden, 660
ANDREWES, C. H.: Spread of influenza, 61
Anencephaly, 1012
Aneurysm, intracranial, carotid ligation of, 502
—— of superficial temporal artery, 974
—— traumatic, Matas operation for (annotation), 20
Angina pectoris, vitamin E in, 759
—— primary agranulocytic (I. M. Librach and R. G. Cronin), 897 (O); annotation, 905
Angioblastoma of breast complicating pregnancy (J. B. Enticknap), 51 (O)

Annotations:
Abstracts of world medicine, 128
Addison Lecture, 781
Adrenal tumours, hypertensive retinitis in, 952
Agranulocytosis, treatment of, 905
Allergy, Ménière's disease and, 127
Anaemia, pernicious, peripheral nerves in, 269
Aneurysm, traumatic, Matas operation for, 20
Antibacterial compound, new, 823
Antibiotics, buttercups and, 499
Aorta, surgery of, 166
Arteritis of temporal vessels, 204
Asthma, insects, mites, and, 304; correction, 804
Austria, tuberculosis and juvenile malnutrition in, 427
Bacterial chemistry, 950
"Benadryl," 233
Biological standardization, 426
Blood, new, 335
Brain in uraemia, 127
Bronchiectasis, penicillin in, 270
Burns, pressure dressings for, 619
Buttercups and antibiotics, 499
Cancer control in U.S.A., 780
—— prostatic, oestrogens for, 57
—— uterine, after irradiation, 699
Carotid, internal, syndromes, 336
—— sinus syncope, 427
Caval ligation for thrombophlebitis, 269
"Certificate reasonably required," 951
Child welfare, course in, 583
Cooling, local, 93
Coronary disease, pericoronary neurectomy for, 780
Creams, barrier, 780
D.D.T. for troops, 658
Deaths, civilian, from air bombardment, 466
Decortication in acute empyema, 58
Dermatitis, intertriginous, of feet, 700
Diets, pre-operative, 822
Eggs, hens', and salmonella infections, 583
"Electronic brain," 824
Embolism, cerebral air, or pleural shock, 94
Empyema, acute, decortication in, 58
Fibrin foam and fibrin films, 165
Food, plan for world board, 334
Food-poisoning, vibrionic, due to milk, 165
France: Malnutrition in children, 781
Galvanism for denervated voluntary muscles, 779
Goitre, exophthalmic and nodular, heredity in, 57
Gonorrhoea, experimental, 549
Haemophilia, problem of, 18
Heredity in exophthalmic and nodular goitre, 57
Herpes zoster and varicella, 426
Hospital "Domesday" Book, 270
Hospitals' balance sheet, 995
Housing: In the tropics, 128—Rehousing of Britain, 467
Hynd, Mr., chooses, 952
Ice-cream, sanitary control of, 584
Industry: Working conditions in Australian textile mills, 499—Women in industry, 823
Influenza epidemics, periodicity of, 548
Insects, mites, and asthma, 304; correction, 804
It can happen here, 995
Kernicterus, sequels of, 205
Leucotomy, frontal, autonomic responses after, 234
London School of Hygiene and Tropical Medicine, 701
Malnutrition in French children, 781
Mastitis, acute, penicillin in, 865
Matas operation for traumatic aneurysm, 20
Maternal mortality in hospital practice, 656
Medical Film Committee, 20
—— geography, 166
—— students in wartime, 378
—— woman graduate, 379
Ménière's disease and allergy, 127
Meningitis, penicillin treatment of, 498
Mepacrine rashes, 907
Miasm of marasmus, 497
Milk, human, vitamins in, 908
—— Minister of, 742
—— vibrionic food-poisoning due to, 165
Mines: Dust reduction in, 620—Silicosis and metalliferous mining in England, 743
Morale, Field-Marshal Montgomery on, 658
Nerves, peripheral, in pernicious anaemia, 269
Neurectomy, pericoronary, for coronary disease, 780
Oestrogens for prostatic cancer, 57
Ophthalmology: Inequality of pupils, 549—Hypertensive retinitis in adrenal tumour, 952

Annotations (*continued*):
Paris clinical assembly, 58
Penicillin: In bronchiectasis, 270—In meningitis, 498—In acute mastitis, 865—Synthesis, 865—Mode of action of, 907
Physiology, applied respiratory, 335
Plebiscite secret, 779
Pleural shock or cerebral air embolism, 94
Pneumonectomy in baby of 3 weeks, 743
Pneumonitis, manganese, 19
Poliomyelitis, anterior, 233—Spread of, 584
Radio-cobalt, 951
Radiological pioneer, 824
Rag flock, 467
Red Cross, welfare services under, 205
Reiter's disease, 865
Rheumatism, chronic, research in, 619, 657
Rheumatoid arthritis, vascular changes in, 426
R.M.B.F. Christmas appeal, 908
Salmonella infections, hens' eggs and, 583
Science and learning, 234
Scientific periodicals, world list of, 866
"Servant problem" in hospitals, 701
Shock, pleural, or cerebral air embolism, 94
Silicosis and metalliferous mining in England, 743
Soya bean: Indian report, 166
Stomach, self-protection in the, 204
Streptomycin, 466—Present position, 906
Surgery of aorta, 166
Thrombophlebitis, caval ligation for, 269
Thyroid poisoning, 906
Travel and disease, 994
Tuberculosis: Under the Bill, 20—In Trinidad and Tobago, 303—And juvenile malnutrition in Austria, 427—Empire responsibility, 700
Tumours, collection of, 427
Ulcer, perforated, conservative treatment of, 950
United States Army Institute of Pathology, 304
Uraemia, brain in, 127
Varicella, herpes zoster and, 426
Vitamins in human milk, 908
Warmth, environmental, 303
West, Dr. Olin, 467
Whooping-cough vaccine trials, 699
Women in industry, 823
Wound healing, acceleration of, 548

Antibiotics, buttercups and (annotation), 499
Antrum infections and idiopathic steatorrhoea, 720
Aphasia, undulant fever complicated by acute transient attacks of aphasia and, during convalescence, by deafness, tinnitus, and paraesthesia (G. Joly Dixon and Robert Roaf), 12 (O)
Apology by Mr. George Bankoff, 448
APPEL, Kenneth E. (and Edward A. STRECKER): *Psychiatry in Modern Warfare*, 228
Appendicitis: Causation of (book review), 421—Acute appendicitis and direct inguinal hernia (J. F. Curr), 652—Acute appendicitis in the aged (D. Grey Simpson), 986 (O)
Appendix, metastatic deposit from carcinoma of breast in, leading to perforation and peritonitis (Michael C. Oldfield), 153 (O)
Appointments, 74, 128, 146, 213, 283, 336, 350, 404, 444, 446, 478, 549, 598, 636, 676, 719, 757
ARMATRUDA, Catherine (and Arnold GESELL): *The Embryology of Behaviour. The Beginnings of the Human Mind*, 775
ARMOUR, George: Herpes and varicella, 760
Armstrong, Lieut.-Col. Cyril, death of, 519
—— G. R. A.: Village longevity, 523
ARMSTRONG-DAVISON, M. H.: Spinal analgesia in infant 11 days old, 264
ARNOTT, W.: Midwife and doctor: conduct of labour, 722
Arteritis of temporal vessels (annotation), 204
Arthritis: Internal enzymes for, 447—Physiological rest, with special reference to arthritis and nerve lesions and to manufacture of appliances (Norman Capener), 761 (O); correspondence, 916. *See also* Osteoarthritis
—— rheumatoid: Liver function tests in 34 cases, 81—Vascular changes in (annotation), 426
Artificial limbs: Review of book on, 738—For women, 438, 760, 974
Ascariasis causing acute intestinal obstruction (D. Landsborough), 461; correspondence, 555
Asepsis: Making soft toys aseptic, 637
Ashley, Capt. James Lavington, death of, 519
Aspiration, gastric, 109
Assault, indecent, 37
Association, American Medical: General secretary and manager, 408

ASSOCIATION, BRITISH MEDICAL:
Association and the *Journal*, 961
—— and public relations, 961
Committee, Ex-Serviceman's, proposed, 476
—— Medical Film: Chairman and members, 20
Consolidation and unity (leading article), 164
Council: Decision on National Health Service Act, 957
Library, books added to, 691
Membership and privileges, 394
Paddington Division: Causes and prevention of prematurity, 664
Plebiscite. *See* National Health Service
Presidential address at A.R.M.: Medicine in transition (Sir Hugh Lett), 149 (O); leading article, 164
Scotland: Retirement of Secretary, 550
Unswerving support, 873, 919

Association, British Medical Students: Membership and activities, 394
Association, British Orthopaedic: Spring meeting, 61—Annual meeting, 628
—— —— Paediatric: Document on appointment of consultant paediatricians, 22
—— —— of Urological Surgeons: Business meeting and dinner, 171
—— British-Yugoslav: Meeting, 494
—— Canadian Tuberculosis: Survey of sanatorium beds, 4
—— of Clinical Pathologists: Summer meeting, 435
—— Family Planning: The "silver ring," 599; correspondence, 753—Medical conference, 872
—— International, of Hospital Libraries, 844
—— Medical Women's International: First post-war meeting, 659
—— Mental Hospitals: Annual meeting, 605
—— National, for Mental Health: Incorporation of, 705
—— —— for Prevention of Tuberculosis: Survey in Gold Coast, 74—Annual meeting, 146
—— Scottish National Blood Transfusion: Appointments, 74—Annual report, 82
—— of Surgeons of Great Britain and Ireland: Observations on vascular injuries (A. M. Boyd), 895 (O)
—— Tuberculosis: The tuberculous in industry, 434—Tuberculosis in industry (Frederick Heaf), 975 (O)
—— World Medical: Leading article on, 496—Constitution of, at International Conference in London, 503—Government luncheon to, 506
Asthma: Bronchial, shock treatment for, 101, 174, 275, 475—Intravenous adrenaline in, 242—Insects, mites, and, 304; correction, 804—In childhood (T. N. Fisher), 452 (O)—Adrenaline secretion and, 678
ASTOR, Hon. W. W.: R.N.V.R. Club and Welfare Fund, 930
ATKIN, I.: Classification of psychological disorders, 666
Atrophy, progressive muscular, 74
AUSTIN, Ann B. (and George H. SMITH): Heterospecific pregnancy as a possible cause of erythroblastosis foetalis, 123
Australia: Food consumption in (leading article), 202—Medical service in, 407, 480—Working conditions in textile mills (annotation), 499
Austria: Doctors in Vienna, 405—Tuberculosis and juvenile malnutrition (annotation), 427
Authority, reverence for, 343
AVERILL, Lawrence Augustus (and Florence C. KEMPF): *Psychology Applied to Nursing*, 3rd ed., 818
Aviation medicine. *See* Medicine
AYKROYD, W. R.: International food crisis, 237—Nutrition programme of F.A.O., 664
AYTON-ORMSTON, R. M.: The plebiscite, 273

B

BABCOCK, W. Wayne: *Principles and Practice of Surgery*, 266
Bacterial chemistry (annotation), 950
Bacteriologists and pathologists, pay of, 836, 919
Bacteriology: Review of books on, 654, 738, 819, 990—New antibacterial compound (annotation), 823
BAETJER, Anna M.: *Women in Industry. Their Health and Efficiency*, 823
BAILEY, Hamilton: *Demonstrations of Physical Signs in Clinical Surgery*, 10th ed., 124—Book reviewing, 173—(And R. J. McNeill LOVE): *A Short Practice of Surgery*, 7th ed., 15
Baines, Edward, obituary notice of, 105
BALCK-FOOTE, J. A.: Health Service Bill, 138; correction, 184
Baldness, premature, 598
BALFOUR, Margaret E. R.: Menstrual changes in hot climates, 312
Balkans: Typhus in Italy and the Balkans (Herbert D. Chalke), 5 (O)
Balneology: *Public Baths and Health in England, 16th to 18th Century*, 616
BANHAM, A. R. (and B. JOLLES): Kidney tumours in a child and her grandmother, 774
BANKART, A. S. Blundell: London College of Osteopathy, 344
BANKS, Charlotte: Selection of medical students, 512
—— Stanley: Cross-infection control, 832
BANNER, E. R.: Unilateral micromastia associated with abnormalities of musculature of chest wall on same side, 420
Banting, Sir Frederick, notes of book on, 946
BANYAI, Andrew Ladislaus: *Pneumoperitoneum Treatment*, 946
BARBER, H. Stuart: Rheumatic fever in R.A.F.: results of treatment at convalescent centre, 83 (O); correspondence, 174, 244, 277
BARCLAY, A. E. (and others): *The Circulation in the Foetus*, 819
—— R. C. (and Aubrey LEATHAM): Unusual complication of thiouracil therapy, 461
BARCROFT, Sir Joseph: F.A.O. need for processed milk, 664
Barnett, Sir Louis Edward, obituary notice of, 712
BARR, Andrew S.: In the words of Eliza Doolittle, 67
BARRATT, A. (and S. H. B. PLATTS): Short survey of trilene in general practice, 10 (O), 340; corrections, 76; correspondence, 172, 210, 406
Barrier creams, evaluation of (C. G. A. Sadler and R. H. Marriott), 769 (O); annotation, 780; correspondence, 875
Barrowman, Major Hamish, death of, 519
BARTLETT, F. C.: Selection of medical students, 665
BARTON, Mary (and B. P. WIESNER): Receptivity of cervical mucus to spermatozoa, 606 (O)
BATCHELOR, R. C. L. (and others): Problems arising from use of penicillin in gonorrhoea, 151 (O)
Bateman, Charles, Chirurgeon: executed for high treason, 1685, 902
—— Laura L.: Health Service Bill, 342
Bathing after heavy meal, 678

Lumbar puncture, 974
Macewen, Sir William, 76
Malaria: Prevention, 184—Prophylaxis, 598
Mammary duct infection with staphylococci, 147
M.D.U. Malta, 720
Medical educational films, 110
—— equipment, production of, 600
—— terminology, 148
—— words, pronunciation of, 884
Menopause: Headaches, 147—Hypertension, 352—Oestrogens at, 843—Myoedema at, 1011
Mental deficiency, 929
Mepacrine dosage in children, 882
Meulengracht diet, 285
Miasm of marasmus, 930
Micturition, frequency of, 1011
Midwife and doctor: conduct of labour, 638, 721, 930
Milk "priority," 680, 884

Notes, Letters, Answers, etc. (*continued*):
Mites in sputum, 407
Muscular paralysis, pseudo-hypertrophic, 843
Mushroom and house pests, 351
Nail-biting in adults, 251
Narcolepsy, 252 — Amphetamine sulphate in, 843
Nerves, divided, regeneration of, 1010
Nervous breakdown, 563
Nicotine and nicotinic acid, 317
Oestrogens, synthetic, uterine haemorrhage after, 883
Old and new, 974
Ophthalmia neonatorum, treatment of, 637
Osteomyelitis, chronic, 479
Osteotomy, subtrochanteric, 721
Otitis media, penicillin for, 599
Pancreatitis, chronic, 75
Pantothenic acid, 843
Parasites, intestinal, in dogs and children, 843
Penicillin: Prophylaxis of streptococcal sore throat, 38—Booklet on therapy, 38—In pyorrhoea, 147—Varicose ulcers and, 252, 352, 480, 722—Sterilization with, 407—Lozenges, effects of, 447, 448, 600, 638, 760, 884—For chronic otitis media, 599—For latent syphilis, 720—And normal saprophytes, 802—Massive dosage, 842—In osteomyelitis, 883—Tonicity of penicillin solutions, 973—In phenol saline, 1011
Pethidine: As drug of addiction, 448—And demerol, 1011
Phlebitis, treatment of, 251, 318
Phytic acid and osteoarthritis, 75
Pituitary extract: In obesity, 679—Use and abuse of, 803
Plastic bib, lethal, 804
Pneumoperitoneum, artificial, 148
Pneumothorax and air travel, 563
Polycythaemia, treatment of, 758
Pregnancy: Prostigmin test for, 521—Air-travel and, 599
Pregnant syphilitic, 317
Prematurity and immaturity, prognosis in, 351
Protein digest material, 351
—— hydrolysates, 36—For peptic ulcer, 184
Psoriasis, cause of, 110
Purpura in the elderly, 406
Rash after penicillin lozenges, 448
Renal glycosuria, significance of, 215
Respiratory infections, chemoprophylaxis of, 759
—— murmur, 284
Rheumatic diseases: Literature on, 638—Chemoprophylaxis of, 973
Rhinitis, chronic, treatment of, 38
Rowlandson print, 523
Sanatorium, a possible, 184
Schick test and pseudo-reactions, 75, 759
Scorpion sting, 680
Sex-determination, 216, 722
Sexual problems at puberty, 1011
Silicosis and bronchitis in saw-doctors, 599
"Silver ring," 599
Sinusitis, chronic, treatment of, 447
Smallpox, tests for, 148
Specks before the eyes, 284
Spermatozoa, counting, 37
Stammering in young child, 447
Stenosis, congenital pyloric, 407
Sterility in women, treatment of, 76, 110
Sulphonamide activity, effect of pus on, 843
Sunstroke and heatstroke, 252
Swallowed Kirby grips, 352
Sweets, effect of, on teeth, 184, 286
Syphilis: Criteria of cure, 285—Marriage and, 521—Secondary and latent, 522
T.A.B.: Inoculation of infants, 599—Reinoculation with, 803—In children, 882
Tattoo marks, removal of, 251
Teeth, absence of, 1011
Testicles, undescended, 636
Tetanus: Bite by dog with, 317—Risk of, in factories, 720—Treatment of, 843
Tetany, acid treatment of, 216
Threadworms in infants, 973
Thrombosis, coronary, and high altitudes, 318
Tobacco habit, 284, 523—Pipe *v.* cigarette, 523—Psychology of smoking, 638
Tongue-tie, treatment of, 521
Toxaemia, severe pre-eclamptic, with separation of retina, 599
Toys, soft, aseptic, 637
Travel: Sickness, 109—Rail travel for the sick, 804—Car sickness in children, 842, 930, 1012
Trichlorethylene in midwifery, apparatus for, 722
Trichomonas vaginalis and streptococci, 678
Trilene administration, 406
Tuberculosis: Bone and joint, in children, 37—Heliotherapy in pulmonary tuberculosis, 598—Buffalo's milk and, 802—Bovine, 974
Twins, quick, 74
Urobilinogen excretion in infective hepatitis, 215
Vaccination, unsuccessful, 406
Varicose ulcers, 183—And penicillin, 252, 352, 480, 722
—— veins, 680, 844—And menstruation, 721
Vitamin E: In heart disease, 562—In angina pectoris, 759
Vulvo-vaginitis, gonococcal, 146
Warts, plantar, 758
Whooping-cough (pertussis): Vaccine, 721—High flying for, 758
Wilson's disease, 929, 1012—And Rh incompatibility, 758
Woolner's tip, 252
Workmen's Compensation Act, 522

Notes, Letters, Answers, etc. (*continued*):
Worms, intestinal, stained with iron, 447
Yeast: And baldness, 109—Therapeutic value of, 317

NOVA ET VETERA:
Anaesthesia, early methods of, 16
Ancient medical treatises, 902
Bateman, Charles, chirurgeon: executed for high treason, 1685, 902
Bill, Thomas, M.D., 16
Corrigan, Sir Dominic, 306
Doctors in law courts in 13th and 16th centuries, 170
Edinburgh Surgeons' Hall, 170
Guillotin, Joseph-Ignace (1738-1814), physician and reformer, 230
Jörg, Johann Christian Gottfried (1779-1856), and his experimenting society, 508
London Lock Hospital and its founder, 16
Medicine, early, in Assyria and Babylon, 54
"Ollier" or "Thiersch" skin grafts, 958
Physiology old and new, 54
Primitive medicine, 508
Woolner-Darwin tubercle, 170

Nuffield Foundation: First report (leading article), 547
—— Provincial Hospitals Trust: Scottish Committee, 999
Nurseries, report on, 217; correspondence, 318, 407
Nurses: Salaries for midwives, 74—Training of ex-Service orderlies, 106—Statutory restrictions removed, 107—Salaries for higher posts, 146—British Empire Nurses War Memorial Fund, 155—New scale of salaries, 158
Nursing problem (Sir Ernest Rock Carling), 830

NUTRITION:
Achromotrichia in tropical malnutrition (William Hughes), 85 (O); correspondence, 277
Bread, nutritive value of (leading article), 17
Children: nutritional standards in school-children, 213
Experiences in prisoner-of-war and internment camps in Far East, 22; correspondence, 176, 275
Famine, relief of, 96
Fat absorption, 502
Haemoglobin and protein levels and spleen indices in N. Greece: their relation to diet (Henry Foy and others), 486 (O)
Post-war conference on, 236
Proteins: Nutritive value of different food proteins, 132
Tongue: Investigation into certain tongue changes in British Troops (B. H. Smith), 489 (O)
Tropical nutrition (book review), 15
Tuberculosis and juvenile malnutrition in Austria, 427

OBSTETRICS:
Anaesthesia: Trilene in midwifery, 514—For perineal tear, 479
Breech delivery: Lövset's manœuvre, 974
Cord: Ligature of, 276—"Cord round the neck," 403, 796
Hydatidiform mole at 52 (A. H. Charles), 460 (O)
Labour: Painless, 407, 523—Midwife and doctor: conduct of labour, 638, 722, 930—Difficult, in multigravidae, 833

OBSTETRICS (*continued*):
Lactation: Mammary duct infection with staphylococci, 147—Preparing for, 759
Maternal mortality in hospital practice (annotation), 656
Midwives, roll of, 586
Perineal suture (D. Charteris Graham), 858
—— tear, anaesthesia for, 479
Puerperal mastitis, acute, penicillin in, treatment of (Mary D. Taylor and Stanley Way), 731 (O); correspondence, 875
Review of books on, 200, 545, 580
Twins, monovular (G. H. Pickering), 988

Obstruction, acute intestinal: Caused by ascariasis (D. Landsborough), 461; correspondence, 555—Caused by carcinoma of colon in youth of 17 (J. Scholefield), 461
—— lacteal duct, 795
Ochsner and Mahorner test, modification of, for patency of deep veins of calf (J. Rashleigh Belcher), 988
O'DONNELL, J. E.: Painful-feet syndrome, 709
Oedema, nutritional, folic acid for, 474
Oestrogens: For prostatic cancer (annotation), 57—At menopause, 843
—— synthetic, uterine haemorrhage after, 883
OGILVIE, Sir Heneage: Amputations, 470
—— Kenneth R.: Facial palsy accompanying acute mastoiditis, with comments on chemotherapy in acute suppurative otitis media, 263 (O); correction, 448; correspondence, 474, 877
OLDFIELD, Michael C.: Individual resistance to malignant disease, 153 (O)—Perforation of ileum in enteric fever, 627
OLEESKY, Samuel (and Harold JACKSON): Unusual case of Weil's disease, 813 (O)
OLKON, David M.: *Essentials of Neuro-Psychiatry. A Textbook of Nervous and Mental Disorders*, 300

OPHTHALMOLOGY:
Asthenopia, accommodation, 562
Blindness: In Nigeria, 25—Psychological reaction in war-blinded (W. M. Harrowes), 129 (O); correspondence, 244—In the Colonies, 213—Post-haemorrhagic blindness, 314
Children: Early treatment of ocular defects in infants and young children, 338, 475 (corrected, 523)
Colour-blindness: Colour-blind driver, 406
Contact Lens Society, 789
Corneal grafting, amniotic membrane for, 624
—— herpes, 679
Iridocyclitis, secondary syphilitic, case of (R. J. Buxton), 299
Ophthalmia neonatorum, treatment of, 637
Penicillin: In treatment of common external eye infections (Joseph Minton), 324 (O); correspondence, 513—Pure penicillin in (Arnold Sorsby and Joseph Ungar), 723 (O); leading article, 740
Pupils, inequality of (annotation), 549
Retina, severe pre-eclamptic toxaemia with separation of, 599
Retinitis, hypertensive, in adrenal tumour (annotation), 952
Specks before the eyes, 284
Spectacles, delay in supply, 786
Surgery, ophthalmic (book review), 989
Vision, physiology of, 338, 473, 1004
—— colour, defective, in industry (leading article), 948

O'RAHILLY, R.: Pronunciation of medical words, 711
Order, Venerable, of the Hospital of St. John of Jerusalem: Promotions and appointments, 169
O'Regan, William Franklin, obituary notice of, 922
Orthopaedics: Amputations, 470—After-effects of trauma of upper limb (book review), 616
—— appliances: Physiological rest, with special reference to arthritis and nerve lesions and to manufacture of appliances (Norman Capener), 761 (O); correspondence, 916
OSMOND, T. E.: *Aids to the Diagnosis and Treatment of Venereal Diseases*, 737
Osteoarthritis: Phytic acid and, 75—Treatment of, by lactic acid injection (R. Mawson), 691 (O); correspondence, 876, 1007
Osteomyelitis: Staphylococcal spinal, with acute extradural abscess (Guy Blackburn and R. P. Jepson), 297 (O)—Chronic, 479—Acute, of lumbar spine, in an adult (Harry Freeman), 610 (O)—Pyogenic, of spine (Peter Martin), 688 (O)—Penicillin for, 883
Osteopaths, panel patients and, 145
Osteopathy, London College of, 141, 245, 279, 312, 344
Osteotomy, subtrochanteric, 720
Otolaryngology, military, some aspects of (R. B. Lumsden), 167 (O)

OTOLOGY:
Acoustic trauma, 469
Deafness: Undulant fever complicated by acute transient attacks of aphasia and, during convalescence, by deafness, tinnitus, and paraesthesia (G. Joly Dixon and Robert Roaf), 12 (O)—From rubella in pregnancy, 244—Welfare of the deaf, 840—*All About the Deaf*, 861
Ears, clicking, case of (Elliott Emanuel), 652; correspondence, 796, 930
Eustachian tube, blockage of, 929
External auditory meatus, transverse rupture of (Douglas R. K. Reid), 859

OTOLOGY (*continued*):
Institute, National, for the Deaf: Annual general meeting, 622
Mastoiditis, acute, facial palsy accompanying, with comments on chemotherapy in acute suppurative otitis media (Kenneth R. Ogilvie), 263 (O); correction, 448; correspondence, 474, 877
Otitis and the mastoid (leading article), 821
—— media, acute suppurative, facial palsy accompanying acute mastoiditis, with comments on chemotherapy in (Kenneth R. Ogilvie), 263 (O); correction, 448; correspondence, 474, 877
—— —— chronic, penicillin for, 599
Otosclerosis: fenestration operation (I. Simson Hall), 647 (O); correspondence, 876

Owen, Sydney Arthur, obituary notice of, 713

PARTRIDGE, E. Joyce: Total war on cancer, 209
Patent medicines (book review), 495
PATERSON, Donald: Medical journals wanted by University of Manitoba, 600
PATEY, David H. (and others): Gravity drainage in prone position in treatment of digestive fistulae of abdominal wall, 814 (O)
Pathologists and bacteriologists, pay of, 836, 919
Pathology: Review of book on, 161—U.S. Army Institute of (annotation), 304—Sickle cell anaemia, 435
—— clinical: What is clinical pathology? 25—In hospital surveys (S. C. Dyke), 95 (O); correspondence, 278—And general practice, 278, 345
Pay-beds: Socialism and, 65, 140, 176, 211, 274—In municipal hospital, 139
PEACOCK, Roydon: Health Service Bill, 474
—— William Henry, obituary notices of, 713, 878
PEARSON, Frank A. (and Floyd A. HARPER): *The World's Hunger*, 653
—— R. W. L.: Health Service Bill, 103—The plebiscite, 790
—— S. Vere: *Men, Medicine, and Myself*, 860
Pediculosis capitis: treatment with D.D.T. emulsion (A. D. Frazer), 263 (O)
PEERS, R. E.: Emergency bed service, 274
Pellagra, "purpura provocata" in (L. H. and R. D. G. Ph. Simons), 817
Penal reform, 880
PENFIELD, Wilder: Psychical seizures, 639 (O)

PENICILLIN:
Action of, mode of (annotation), 907
Allergic reactions (A. I. Suchecki), 938 (O)
—— response to, 137
Books: Penicillin in general practice, 819
Breast abscess treatment with (M. E. Florey and others), 845 (O); annotation, 865
Bronchiectasis, annotation on, 270
Chancre, syphilitic, delayed appearance of, after (A. W. Frankland), 159
Control of, 71
D-Day to VE-Day, 56; correspondence, 210
Diphtheria: Penicillin in treatment of severe diphtheria (Richard J. Dodds), 8 (O)—Penicillin for carriers, 26
Discoverers presented with gold medals by Society of Apothecaries, 868
Dosage: massive doses, 842
Erysipeloid treated with, 637
Future of (leading article), 581
Gonorrhoea, problems arising from the use of penicillin in (R. C. L. Batchelor and others), 151 (O)
H. influenzae meningitis, 931
Inhalation: Apparatus, 26—For lung infections, 171
Inhaler, new penicillin (L. Capper), 422
Injections and boiling of syringes, 589, 667
Jaundice, post-penicillin (Robert R. Hughes), 685 (O)
L.C.C. hospital experience, 959
Lozenges: Effects of, 447, 600, 638, 760, 884—Rash after, 448
Lung infections, inhalations for, 171
Mastitis, acute puerperal, treatment of (Mary D. Taylor and Stanley Way), 731 (O); annotation, 865; correspondence, 875
Meningitis: Due to penicillin-sensitive, sulphonamide-insensitive Pittman b strain of *H. influenzae*: recovery (Constance F. Drysdale and others), 223 (O)—Treatment of (annotation), 498; correction, 600
Nasal sinus infection, 403
Noma (gangrenous stomatitis) treated with (J. Michael Vaizey), 14
Ointment for out-patients (I. Lloyd Johnstone), 201; correspondence, 339
Ophthalmia neonatorum, 637
Ophthalmology: Treatment of common external eye infections (Joseph Minton), 324 (O); correspondence, 513—Pure penicillin in (Arnold Sorsby and Joseph Ungar), 723 (O); leading article, 740
Oral: Black tongue and, 63, 208—Nicotinamide deficiency after (P. Ellinger and F. Mackenzie Shattock), 611 (O); correspondence, 920
Osteomyelitis, 883
Otitis media, chronic, 599
Phenol saline and, 1011
Potency, 667
Pyorrhoea, 147
Recent work on, 789
Saprophytes, normal, and, 802
Sinusitis, treatment of (leading article), 656
Snuff, penicillin-sulphathiazole, for nasal sinusitis, 795
Solutions for injections, 310

PENICILLIN (*continued*):
Staphylococci, ambiguous inhibition of, by penicillin inactivated with penicillinase (R. F. Hunwicke), 855 (O)
Sterilization with, 407
Streptococcus: Prophylaxis of streptococcal sore throat, 38
Supplies, 107
Synthesis, 865
Syphilis: Masked by, 311—For pregnant syphilitic, 317
Thiouracil agranulocytosis, treatment of (A. J. Thomas), 899
Tonicity of solutions, 973
Ulcer, tropical, and (J. G. Webb), 49 (O)
—— varicose, and, 252, 480, 722
Urticaria: Use of "benadryl" for penicillin urticaria (R. R. Willcox), 732 (O); correspondence, 875
Venereal disease, 175—For latent syphilis, 720

Penicillinase, 855
